

CRG Gender Pay Gap Statement

From April 2017 all organisations that employ over 250 employees are required to report annually on their gender pay gap. The gender pay gap shows the difference between the average (mean/median) earnings of men and women.

Castlerock Recruitment Group is a well-established diversified healthcare, homecare and medical services provider with a core passion and competence in long term workforce sustainability.

CRG's work force consists of more females than males which is typical of the Healthcare sector.
